

Jupiter Science

Established date: Emco Tech 1970
Dong Yang 1982 [over 25 years in the water ionizer field]

Products: Medical equipment, filters, and water purifiers

Head office/ factory location: 163-3 Dodang-dong Wonmi-gu Bucheon Gyeonggi-do, South Korea. Also research and manufacturing factory in Japan.

Related Companies: Dong Yang Bio Valley, IonPia, IonLife, Winia System, Dong Yang, Ionia, Jupiter Science, Emco Tech

OEM Jupiter Companies: Hyundai, LG, Samsung, Toyo Industries

Technology overview:

Over 20 patents, plus registration of many new designs
Over 30 water ionizers developed
10 hot and cold water ionizers patents applied for

International certificates such as:

- * UL (U.S safety certificate) obtained
- * CE (European safety certificate) obtained
- * JIS (Japanese safety certificate) obtained
- * FDA health device safety certificate
- * ISO 9001, ISO 14001 certificates
- * Industries first Good Manufacturing Practice certificate
- * Industrial Medal of Merit (from Japanese

Emperor)

Approval for medical equipment manufacturing - Ministry of Health and Welfare - Strong focus on technology development and quality excellence

Export

Brand name and Manufacturer: JUPITER SCIENCE
International Export Company: ROYAL WATER
World leaders with exports to over 30 countries in the world.
Production plant largest in Asia - able to manufacture over 100,000 units a month.

Awards

- Industrial Medal of Merit (Japanese Emperor)
- Chosen by Hankook Ilbo (Korean Newspaper) best product award
- Chosen by Sports Seoul as best product award
- Chosen by GOOD DAY Best Product Award
- Chosen by Hankook Ilbo (Korean Newspaper) Customer Satisfaction and Top Quality Award
- Most Promising Medium Sized Business Award (Corporation for the Promotion of Medium Sized Business)
- Kyunggi Medium Sized Business Award (Kyunggi Area Medium Sized Business Corporation)
- Most Promising Medium Sized Export Business Award (Corporation for the Promotion of Medium Sized Business)
- New Specialized Technology Venture Business Award (Kyunggi Area Medium Sized Business Corporation)
- First Industry Water Ionizer Manufacturing 1 Million Dollar Export Tower Award
- Secretary of Health Award
- Chinese health permit
- Best Health Device Good Manufacturing Practice (KGMP) Certificate
- Korean President Commendation
- Venture Business Award (New Technology Business)
- Family Industry Business Assignment (Corporation for the Promotion of Medium Sized Business)
- Business Foundation Environmental Technical Research Office Permission (Korean Business Promotion Society)

Jupiter Science Patents

- Conversion valve for water ionizer 2002. 2. 5 Application Number 0006454
- Electrolytic cell with water ionizer
- Conversion device 2001. 8. 29 Registration Number 0308448
- Circulative electrolytic solution producer with propeller 2002 11. 29 Application Number 0035692
- Ionized cool and hot water producer 2002. 11. 29 Application Number 0035693
- Electrolytic cell that produces
- Sterilized water 2002. 11. 29 Application Number 0035694
- Portable water ionizer 2000. 9. 28 Registration Number 0206115
- Conversion valve for water ionizer 2000. 3. 5 Application Number 0171338
- Conversion valve for water ionizer 1999. 12. 3 Application Number 0171338
- Conversion valve connection mouth for water cooler / heater 1997. 11. 26 Registration Number 0114306
- Water dispenser after ionizing 1991. 8. 6 Registration Number 0060332
- Water ionizer mounting (water supply handling) 2002. 11. 29 Application Number 0034169
- Ionized water mounting
- (Filter mounting) 2002. 11. 29 Application Number 0034177
- Conversion valve for water ionizer 2000. 5. 18 Registration Number 0022154
- Body of electrolytic cell for water ionizer 1995. 5. 23 Registration Number 001296
- Water supply distribution panel for water ionizer 1995. 5. 23 Registration Number 001295
- Body of water cooler / heater 1992. 10. 23 Registration Number 017160
